

SEVERAL OCTOBER WEDDINGS

Solemnized Yesterday in Which Wheeling People Figure as the Principals.

Mc MECHEN-BAILEY NUPTIALS

In Pittsburgh, and Forsyth-Brockunier and Hayes-Henry Weddings in Wheeling.

Wheeling society had its hands full yesterday in representing itself at the several nuptial events that had been scheduled for the day. About twenty-five friends of the groom went to Allegheny and attended the McMechen-Bailey wedding last night. Several were at Charleston and attended the Dana-Smith wedding, and in the city occurred the Forsyth-Brockunier and Hayes-Henry weddings, both of which were of unusual interest to society.

McMechen-Bailey.
Special Dispatch to the Intelligencer.
PITTSBURGH, Pa., Oct. 25.—The marriage of Ruth, daughter of James Bailey, of Lincoln avenue, Allegheny, and Birney Kennard McMechen, of Wheeling, was an exceedingly handsome event. The ceremony was performed in the North Presbyterian church of Allegheny, Rev. Edward S. Young, pastor of the Second Presbyterian church of Pittsburgh, assisted by Rev. Harry D. Lindsay, D. D., pastor of the North church, officiating. The auditorium of the church was beautifully decorated with a profusion of tropical plants, and great bunches of pink and white chrysanthemums gave the necessary color.

The church gathering was one of the most fashionable of the season, almost every member of the Allegheny society set who is in town, together with a number of well known people from Pittsburgh and the suburbs, being in attendance. The bride, a tall, dark, stately girl, wore a gown of rich white satin, made with full court train and trimmed with elaborate ruffings of white chiffon and lace. Orange blossoms were inserted in the folds of the skirt and bodice, and formed a corsage which reached to the full length of the train. The bouquet was of white orchids and lilies of the valley. The maid of honor, Miss Lois Livingston Bailey, sister of the bride, wore a handsome gown of green net over green tulle, trimmed with point lace and a number of tiny butterfly-like of lace applied. She carried white chrysanthemums. The other bridesmaids, Miss Nellie Loebe Singer, Miss Grace Kelly, Miss Ellen Mandenhall Metcalf and Miss Mary Bosler, of Carlisle, Pa., were in pink, the under slip of tulle being covered with pink silk net. The brides were trimmed with bands of point lace and the hair was dressed with white ribbon bows and negligettes. The maids carried immense clusters of long stemmed white chrysanthemums.

Stephen B. Elkins, Jr., of Washington, D. C., acted as best man, and the ushers were George Baird, Joseph Speldel, Jr., and William B. McMechen, of Wheeling, and Charles Frederick Holdship, Robert Donnell Book and Norman S. Woolridge, of Pittsburgh. The ushers wore buttonholes of white chrysanthemums, while the groom had white orchids and the best man, lilies of the valley to correspond with the flowers carried by the bride.

The church ceremony was followed by a large reception and bridal supper at the home of the bride's father. The decorations of the house were on an elaborate scale, the dining room having pink chrysanthemums among the greens, the reception room yellow, and the library red. The lights were shaded with roses of the same tint as the other blossoms in the rooms.

Among the wedding gifts were displayed numerous telegrams and cablegrams from absent friends. Mr. and Mrs. McMechen will take an extended bridal tour, the destination being kept secret. They will be "at home" on Thursday, December 1st, and 2nd at "Maple Court," Pleasant Valley, Wheeling.

The bride, who was introduced to society some five or six years ago, has been one of the most popular girls in the fashionable Allegheny set. She comes from a prominent family on both sides of the house, her mother, who died a number of years ago, being a Daisell, sister of Louis W. Daisell. There were a number of out-of-town people at the wedding, including about twenty-five friends of the groom from Wheeling, and Miss Alley, of Boston, who has been the bride's house guest.

Smith-Dana.
Special Dispatch to the Intelligencer.
CHARLESTON, W. Va., Oct. 25.—Miss Elizabeth A. Dana, daughter of Major E. A. Dana, and Mr. Ike N. Smith, both of this city, were married this evening, at 8:30 o'clock at the residence of the bride. The ceremony was performed by Rev. R. H. Merrill, of the Kanawha Presbyterian church, and was witnessed only by the immediate family and a few friends. The maids of honor were: Misses Annie Lewis, Anna Taylor, Alice Bowen, of New York; Miss Mollie B. Utrick, Miss Mary Sternberg, of Reading, Pa., and Miss Martha Hogeman. Miss Ethel Knight was bridesmaid. The groom's best man was his brother, C. T. Smith. The bride's costume was of white satin. The maids of honor and bridesmaid wore white organdie over tulle. After the ceremony occurred a brilliant reception, lasting from 9 until 11. Among the prominent guests from abroad were Senator and Mrs. S. B. Elkins, Mr. and Mrs. T. C. Moffat, and Mr. and Mrs. W. Peterson, of Wheeling; Mr. and Mrs. S. F. Dana, Mr. and Mrs. E. O. Dana, and Mr. W. Burnett and daughter, of Cincinnati; and Mrs. George Dana, of Washington, D. C.; Mr. and Mrs. E. R. Andrews, of Rochester, N. Y. The bride and groom will spend their honeymoon in the east.

Trump-Marshall.
Special Dispatch to the Intelligencer.
CHARLESTOWN, W. Va., Oct. 25.—Miss Rhea Melvin Marshall and Mr. Frank Ober Trump were married today at noon, in Elk Branch Presbyterian church, by Rev. J. E. Tuplet, assisted by Rev. C. S. Trump and G. G. Erhardt. Mr. Clarence A. Roberts, of Baltimore, was best man, and Miss Hattie L. Marshall, cousin of the bride, was maid of honor. After the ceremony a wedding breakfast was served, after which the couple left for a tour of the eastern cities. They will reside in this county upon their return.

Wallace-Dunlap.
This afternoon, at the home of the bride, West Alexander, occurs the wedding of Mr. John Wallace, of the editorial staff of the Intelligencer, to Miss Olive Doane Dunlap, daughter of Mr. William M. Dunlap, one of Washington county's prominent citizens.

Padden-Moran.
Mr. P. J. Padden, of Pittsburgh, and Miss Maggie Moran, of this city, were married at the Cathedral yesterday afternoon.

Dr. Greene's NERVURA

A Veritable Fountain of Youth for Restoring Health and Beauty to Women.

Women look old because they are not well. The average woman of today appears old at twenty-five or thirty, with dull, hollow-eyed eyes, thin, pinched, pale cheeks, sallow complexion, dark or bloodless lips, the face lined and the expression the opposite of vivacious. Women can change all this and become well, strong and beautiful by using Dr. Greene's Nervura blood and nerve remedy, that wonderful vegetable compound which is almost a fountain of youth for women, for it renews and maintains youthful looks and beauty, creates a clear, pure complexion, makes the face round and plump and the eyes bright.

Mrs. C. S. Allen, of 125 Pearl St., Portland, Me., says: "There was hardly any more color in my face and hands than in chalk. Dr. Greene's Nervura made me well, and I restored my natural color and complexion."

ternoon, Rev. Father Moyer officiating. Among the out-of-town guests were Mrs. Henry Mulligan, of Fairmont, and Mrs. W. P. Richmond, of Meighen, W. Va.

Forsyth-Brockunier.
A wedding of note was solemnized last evening at the home of Hon. and Mrs. C. W. Brockunier, North Main street, the principals being their daughter, Sara Zane Brockunier and Mr. Howard Forsyth, of Chicago. Owing to the death recently of Mrs. Brockunier's sister, the guest list was limited to immediate relatives and intimate friends of the bride and groom. Rev. George E. Reed, D. D., president of Dickinson college, at Carlisle, Pa., a friend of the Brockunier family, was the officiating clergyman.

The maids of the bride were her sister, Miss Mary Brockunier; her cousin, Miss Sallie Brady, of Buckingham county, Virginia; Misses Mary Simpson and Lee Caldwell, of this city, and Miss Josephine Edgar, of Zanesville, Ohio. Mr. Holmes, brother of the groom, was best man.

The bride wore brocade satin, princess cut train and trimmed with orange blossoms. She carried white violets and lilies of the valley. The maid of honor wore white organdie, decollete en train, and carried white satin muffs, with showers of violets and violet head dress.

The floral decorations of the house for the affair were beautiful and most artistically arranged by Florist Hess. Lillies of the Valley and violets predominated. There were two beautiful set pieces on the dining tables. A handsome arch of asparagus, white and yellow chrysanthemums, surrounded the doorway through which the bridal party entered for the ceremony, and at other points of the interior, curtains of smilax, exhibits of palms and ferns completed the pleasing and artistic effect.

Mr. and Mrs. Forsyth departed at midnight on an eastern wedding trip. Mr. Forsyth is a Chicago business man and in the bride Wheeling society had a distinguished representative, whose absence will be missed. Mr. and Mrs. Forsyth will live in Chicago.

Hayes-Henry.
St. Luke's on the Island, one of the prettiest churches in the state, never looked more charming and bright than it did at noon yesterday, when the wedding of one of Wheeling's beautiful and accomplished young women to a Chicago gentleman was solemnized. The interior was artistically decorated with palms and cut flowers.

The principals were Miss Isabel Martin Watts Henry, of the Island and Mr. William Elliott Hayes, of Chicago. The bride is known throughout the city, having a host of friends who will unite in hearty well wishes. The groom is a young business man in Chicago.

While the organ pealed forth the wedding march, the bridal party came down the aisle to the chancel, where they were received by the pastor, Rev. Jacob Brittingham. First came the ushers, Messrs. Howard Hayes, of Chicago; Stanton Pierce, of Steubenville; Samuel Hubbard, Joshua Buckley, Frank Kinchee and Walter M. Biedeman, of Wheeling; then came the bride, leaning on the arm of Mr. R. S. Kinchee, with whose family she has made her home. At the chancel, they were met by the bridegroom, accompanied by the best man, Mr. Foley, of Chicago. The impressive Episcopal ceremony was then pronounced by Mr. Brittingham.

Then the party were driven to the Kinchee home, on Virginia street, where the wedding dinner was discussed. In the afternoon, Mr. and Mrs. Hayes left for the east. In two weeks they will be at home in Chicago. The bride's many Wheeling friends regret her removal from the city, but unite in the hope that she may find her life's happiness in her chosen home.

Verdict of Acquittal.
FARGO, N. D., Oct. 25.—The case of former State Treasurer L. E. Booker came to a sudden termination in the United States court today by Judge Amidon directing the jury to bring in a verdict of acquittal. An error in the indictment, drawn up by former United States District Attorney Bangs, was the cause of Judge Amidon's action. The action charged Booker with making false returns to the controller of the currency as to the amount of money on hand on certain days while he was president of the Grand Forks National Bank. Judge Amidon held that Booker should have been indicted for aiding and abetting in making false returns as he merely signed the statements as prepared and submitted by employees of the bank, and did not direct the false statements. There is another case against Booker, charging embezzlement, which will come up at this term of court. Judge Amidon's decision in the Booker case is the first one in the United States courts bearing directly on the point of the guilt of bank officials in signing an order or statement prepared by others.

Bill in Equity.
PITTSBURGH, Pa., Oct. 25.—In the United States court today John Forbes, of Olean, New York, filed a bill in equity against John B. Smithman, of Oil City. The plaintiff alleges that on September 19, 1899, the defendant agreed to sell to him the property and franchises of the Oil City street railway company and the Relief bridge company. He says that the price was agreed upon and the defendant was to receive \$250,000 over and above the cost of the property, making \$308,102.55 to be paid in cash and a mortgage for \$45,000 was to be assumed. October 14, 1899, the plaintiff says, he tendered \$208,102.55 in gold to the defendant and demanded a delivery of the property. The defendant said the word "thousand" had been omitted, and he was to receive \$250,000 net, instead of \$200. The plaintiff asks that the defendant be compelled to deliver the property mentioned on the payment of \$208,102.55, and in the meantime he be enjoined from selling it or encumbering it.

BUENOS AYRES, Oct. 25.—Colonel Pando has been elected president of Bolivia in succession to Senor Severo Fernandez Alonzo.

DEDICATION

Of Reynolds Memorial Hospital at Glendale Wednesday

WAS AN EVENT OF INTEREST.

The Donor, and Several Friends from New York Were Present, as Were Governor Atkinson, Bishop Penick and Other Well Known People.—The Dedication was Followed by a Banquet at the Parish Institute.

Yesterday afternoon at 5 o'clock, the dedication of the Reynolds Memorial hospital at Glendale, erected at a cost of \$40,000, through the benevolence of Mrs. VanBuren Reynolds, of New York, in memory of her late husband, took place, and consisted of exercises that were impressive and interesting.

The hospital was presented to the state of West Virginia and to the Protestant Episcopal diocese of the state on behalf of Mrs. Reynolds by Archbishop B. M. Spurr, of Mountsville, through whom Mrs. Reynolds had been interested in this laudable undertaking.

Bishop Penick, of the P. E. church, accepted the gift on behalf of the church, and Governor G. W. Atkinson accepted on behalf of the state. Both responses were eloquently delivered, and were filled with feeling tributes to the generosity of the donor.

The exercises took place in the men's surgical ward, and were attended by Mrs. VanBuren Reynolds, Miss Josephine Reynolds, Mrs. Hanlan, Mrs. Whiting and Miss VanBuren, of New York; Governor and Mrs. G. W. Atkinson, Senator S. W. Mathews, Col. B. F. Meighen; the staff of physicians of the hospital, which included Drs. G. W. Bruce, R. W. Hall, W. D. Stewart, R. M. Houston, J. F. Smith, J. C. McCullough and J. M. Williamson, and by B. F. Hodgman, M. F. Giesey and W. W. Wood.

Last night at the Parish house, at Mountsville, a banquet was given by the Trinity Episcopal church in honor of Mrs. Reynolds and daughter and other distinguished guests from New York City. About seventy-five surrounded the festive board. Mr. B. F. Hodgman was toastmaster. Governor G. W. Atkinson responded to the toast "Our State" in a very pleasant, entertaining style. Bishop Penick spoke very ably in responding to the toast "Practical Application of Christianity." Hon. B. F. Meighen responded to the toast "Our Distinguished Guests." His remarks were well received and very appropriate.

THE TROUBLE IN SAMOA.

No Fresh Advances Regarding Native Revolts on the Islands.

WASHINGTON, D. C., Oct. 25.—The state department is without late official advices from Samoa, respecting the existence of fresh troubles among the natives on the islands, but it is believed that these latest reported events are not really threatening in character. However, it is probable that some important change will be brought about, for it is admitted that the three treaty powers are each and all now about convinced that the condominium is incapable of affording a safe basis for the government of the islands. The difficulty is that negotiations up to this time have produced no satisfactory plan to replace this arrangement. The United States has an accurate idea of what it wants and it is believed that these wants are not obnoxious either to Germany or Great Britain. The main difficulty, therefore, in effecting a generally satisfactory arrangement is now experienced in getting Great Britain and Germany to agree between themselves. The indications are that such an agreement is not within sight and that the three governments must content themselves for some time to come with an administration of affairs in Samoa under the terms of the Berlin treaty with some slight modifications in the direction suggested in the report of the Samoa commission. It is now settled that Chief Justice Chambers will not return to Apia, but he will be provided for in a manner which will demonstrate the satisfaction of the President with his course.

Manufacturers to Confer.
FALL RIVER, Mass., Oct. 25.—The Manufacturers' Association today decided to accept the invitation of the labor unions to confer on the question of wages with the 30,000 operatives seeking an advance. It is stated upon good authority that the manufacturers generally consider this an inopportune time for granting an increase of wages. They do not see, however, that there can be any great harm done in appointing a conference committee and considering the arguments which will be advanced by the textile committee.

Doctors Can't Cure It!

Contagious blood poison is absolutely beyond the skill of the doctors. They may dose a patient for years on their mercurial and potash remedies, but he will never be rid of the disease; on the other hand, his condition will grow steadily worse. S. S. S. is the only cure for this terrible affliction, because it is the only remedy which goes direct to the cause of the disease and forces it from the system.

I was afflicted with Blood Poison, and the best doctors did me no good, though I took their treatment faithfully. In fact, I seemed to get worse all the while. I took almost every so-called blood remedy, but they did not seem to reach the disease, and had no effect whatever. I was disheartened, for it seemed that I would never be cured. At the advice of a friend I then took S. S. S., and began to improve. I continued to take it up my health and increasing my appetite. Although this was ten years ago, I have never yet had a sign of the disease to return.

W. K. NEWMAN,
Staunton, Va.

It is like self-destruction to continue to take potash and mercury; besides totally destroying the digestion, they dry up the marrow in the bones, producing a stiffness and swelling of the joints, causing the hair to fall out, and completely wrecking the system. S. S. S. is the only blood remedy free from these dangerous minerals. It is guaranteed.

GOVERNOR ROOSEVELT

On a 48-Hour Trip Through Maryland—Makes Several Speeches From Rear End of Train.

CUMBERLAND, Md., Oct. 25.—The governors of New York and Maryland and half a dozen local spell-binders began this morning at daylight a forty-eight hour trip through the western part of the Orle state in the interest of its chief executive, who is a candidate for re-election. The start was made at Piedmont, W. Va., just over the state line, where United States senator McComas introduced Governor Roosevelt to two or three hundred people, who gathered about the platform of the private car in which the party is traveling. Governor Roosevelt spoke briefly on state issues and commended the governor of Maryland for having kept all the promises made by him in his campaign four years ago, concluding with a reference to the late war with Spain, in which he said: "The sons of those who had worn the blue and the sons of those who had worn the gray, fought side by side and shoulder to shoulder."

The next stop was made at Barton, Md., where Governor Roosevelt touched lightly upon the currency question, defining the Democratic candidate for governor to declare his position upon that issue.

At Lonsaconing, where the next stop was made, half the population of the little mining town turned out to hear the "rough rider." Here Governor Roosevelt again took up the currency question and accused the Democrats of Maryland of cowardice in failing to make a declaration for or against the free coinage of silver. The Democrats of Ohio, he said, were worthy of some respect, because they had pronounced in favor of the 16 to 1 theory and had thereby shown that they possessed the courage of their convictions. Upon the question of expansion the governor said: "And so now when our opponents propose to substitute for the simple question of loyalty to the flag the rule of a debating society as to the Philippines, when they propose to do that, we ask you, and we have the right to ask you, if you should stand by the man who represents the national policy and take the view that where the flag has been hoisted it shall not go back in the face of armed foes who stand now as they have always stood, for the largest measure of orderly liberty that can be given to any man, but who stand against anarchy at home and against anarchy in the tropic islands of the sea, the care of which has been entrusted to us. We are in honor bound to do that work well, to do it primarily in the interests of the people of the islands themselves, first with an eye for their interests and also with an eye to the interests and the honor of the American people."

At Ocean, Governor Roosevelt commented upon ex-Senator Gorman's opposition to the administration's Philippine policy upon the ground that a standing army is a menace to liberty. "We have seventy millions of free men in this country," said Governor Roosevelt, "and you are in just as much danger from a standing army as you are from the police."

At Frostburg a procession led by a brass band greeted the speakers and 2,000 people gathered at the depot. Gov. Roosevelt at this place dismounted upon honest elections which, he claimed, has been assured to the people of Maryland by the action of the Republican party under the leadership of Governor Lowndes. This is not the case, however, he asserted, in Kentucky, where if the Republicans lose it will be because their votes will not be counted. "There is no doubt of our success there," he declared, "if we can get an honest count; but if the Democratic friends of Mr. Goebel can prevent it we will not get an honest count."

A brief stop was made at Mount Savage, where Governor Roosevelt discussed the volume of deposits in savings banks, which he claimed have decreased with every Democratic success and increased when the Republicans won a victory.

The party reached Cumberland at 11 o'clock and Governor Roosevelt was driven to the Academy of Music which was packed with an eager and enthusiastic crowd.

Expansion Day.
PHILADELPHIA, Pa., Oct. 25.—Today's session of the International Commercial Congress at the National Export exposition was officially designated as "expansion day," and a number of speakers addressed the delegates on that question as it related to the development of the commerce of all the countries of the world. GIGANTIC FRAUDS

Unearthed at Sevastopol—Government Officials Arrested.

ODESSA, Oct. 25.—A gigantic system of fraud and corruption has been unearthed at Sevastopol. Forty-three government officials have been arrested and will be tried by courtmartial December 2. Among the accused are many high naval officers, including the former senior port officer, Commander Relitsky, several well known constructors, nearly every chief engineer of the ships in Russia's Black Sea fleet, the commissary officers and others. It is reported that several of the accused have committed suicide rather than stand trial, for, if found guilty, they would be banished to Siberia. Vice Admiral Tyrtov, the Russian naval commander in the Black sea, is responsible for the arrests. He alleges that the officials of the various government departments from Sevastopol to Nikolayev have for a long time been engaged in a huge conspiracy to misappropriate funds and sell government supplies covering their defalcations by forgery and suppressing information by widely distributed bribes. The affair has created the greatest consternation.

DEWEY'S NEW HOME

Formally Turned Over to Him by the Committee.

WASHINGTON, D. C., Oct. 25.—The house on Rhode Island avenue, recently purchased for Admiral Dewey by popular subscription, was formally turned over to him to-day, by Assistant Secretary Vanderlip and United States Treasurer Roberts, of the Dewey home committee.

Mr. Fitch, the owner, went to the treasury department this afternoon and presented the deed, which was immediately filed for record. The purchase price was about \$50,000. Two subscriptions were received to-day, which completed the payment including the expenses incident to the project. One for \$1,000 came from Brooklyn, and the other \$275, was received from the Western Union Telegraph Company.

P. E. Missionary Council.
ST. LOUIS, Oct. 25.—Bishop Doane, of Albany, N. Y., in his address before the Protestant Episcopal missionary council, now in session here, supported the policy of the administration in taking the Philippines under national protection. He said: "To my mind, there were but four unalterable alternatives. We were obliged either to leave the islands under Spanish control for a renewal of hostilities; we were obliged to leave them to destroy themselves in internecine strife; we could have left them to be fought over by European nations, or we could have assumed the position of protectors of the islands. I see no other conclusion and the fourth alternative was the only one which ought to have been taken. We did take it and this great trust must be administered."

Missionaries from Cuba and Porto Rico presented the needs of the people of those islands and after some discussion it was decided to send a bishop to the latter islands.
